

To Use The Pan Clip:

- 1. Clip the thermometer on the side of the pan.*
- 2. The thermometer tip should be at least 2½" into the liquid.*
- 3. Do not let the tip of the stem touch the bottom of the pan.*
- 4. Always wear a heat-resistant glove when touching the thermometer during or after use. Do not use a wet or damp cloth. **DO NOT TOUCH WITH BARE HANDS!***
- 5. **DO NOT** use in an oven.*
